Special Awards

Over the last couple of months, the school has been working hard to recognise and celebrate the work that goes on each day to ensure our children can be the best they can be. I have listed below two awards that we are proud to have achieved.

[Inclusion Quality Mark](#) provides schools with a nationally recognised framework to guide their inclusion journey. The IQM team help schools evaluate and measure how they are performing; empowering them to improve and grow. And when they're successful, IQM recognise their achievement through a system of highly valued awards that provide external validation of their inclusive status. There are over 5,500 schools in the UK who have either received an IQM Inclusive School Award, or are actively working towards meeting the standard required.

'Carpenters Primary School is a very inclusive school. A welcoming, warm and nurturing ethos pervades the school and this is achieved by the hard-working, committed and stable group of staff. The staff work effectively as a whole school team to support their pupils and families.'

[Basic Skills Mark](#) - Tribal's Quality Mark is an internationally acknowledged accreditation recognising improving standards in the provision, practice and performance of English and mathematics, and providing evidence of high-quality education.

'The school provides a wide range of extended services for pupils both internally and through signposting. Children enter Carpenters at levels well below that which is expected nationally. The school is ambitious and is using all its resources to improve the well-being and academic progress of its pupils.'

The next award we are working towards is the [Wellbeing Award](#). Watch this space!

Wellbeing Workshops

As part of our continuing work towards improving staff and pupil wellbeing, we are offering parents/carers the opportunity to attend a workshop focusing on pupil's wellbeing, which will be led by Miss Hobbs. We will look at some of the factors that can have an impact on a child's wellbeing, as well as ways to improve this. We will also look at what wellbeing provision will look like across all schools from Autumn 2020, in line with new statutory guidelines. There will be two opportunities to attend:

Tuesday 12th March @ 2.30-3.00pm

OR

Thursday 14th March @ 9.15-9.45am

Miss Hobbs will also be available after the workshop to discuss any particular questions or concerns you may have about wellbeing. We look forward to seeing some of you there!
