Newsletter - 19th October 2018

Dear Parents/Carers,

We finally made it to the end of a very long and busy half term! I am delighted about the many achievements we have celebrated so far this year and have been very grateful for your ongoing support. This week we held the food tasting event, with meals from the new menu - this was a great success. In addition, the bag 2 school collection was the best we have ever had - thank you for the many bags! The recent McMillan fundraising event raised a fantastic £153.50. I am also pleased to have welcomed the many new families in Nursery and Reception this half term, as well as the many families across the school that have moved into the area. I do hope you have had a good first half term at Carpenters and look forward to a long and fruitful partnership.

I wish you all a well-deserved half term break with your children and look forward to seeing you all again on Monday 31st October (we will not be celebrating Halloween!) as we begin another long, but busy lead up to the Christmas break.

Diane Barrick
Headteacher

Starting School - September 2018

Do you have a child born between 1 September 2014 and 31 August 2015? Last week, the school held a meeting for Nursery parents/carers to support the application process for a place in a Reception Class next September. For those parents/carers who were unable to attend or do not have children in our Nursery, please speak to the nursery adults or school office who will provide you with a booklet and, where required, support in completing the online application.

School Attendance - Holidays during term time

A reminder to all parents/carers. Holidays during term time, or attached to a school holiday, will not be authorised, except in exceptional circumstances. Any parent/carer who takes their child/ren on holiday without authorisation will be issued a penalty notice with a charge of £60 per parent/carer per child. Should your child/ren not return to school on Wednesday 31st October, we will require a note from your child's local GP to confirm their sickness. Any parent/carer who does not provide this information will be issued with a penalty notice.

Maths with Parents/Carers - Years 1-6

Thank you to the many parents/carers who have signed up to the Maths with Parents/Carers online system. We are aiming to ensure all children have been signed up to this useful maths resource. After the half term break, all maths homework will be set using this system. If you haven't yet signed up, please do so or contact the school for support. The class codes are listed below.

For those who have already logged on, if you are having login issues, you may need to reset your password online. If the problems continue, please provide Miss Frame or your child's class teacher with your email address, name of parent/carer, name of child or children in addition to the children's class names. Just to reassure you that the Maths with Parents site is fully GDPR compliant.
