The school council also organised a charity walk for EYFS and Key Stage 1 raising over £236 for 'Brakes - the Road Safety Charity'. A special note to congratulate Ezra Amoah of Snowdrop Class who raised over half of our total with his tremendous sponsorship! Elections for Student Council 2019-2020 will begin in September.

## Attendance

Phase	Autumn	Spring	Summer	Year
EYFS/KS1	94.7%	94%	94.6%	94.4%
KS2	97%	96.4%	95.5%	96.3%
Special Visit	Poppy & Willow	Marigold & Rose	Marigold & Rose	Poppy & Willow
Whole School Yr N to 6	96%	95.3%	95.1%	95.5%
Whole School Yr 1 to 6	96.9%	96.3%	95.6%	96.3%

Even though we did not meet our aspirational target of 96.4%, we have maintained an attendance level above 96%. Our attendance has been affected this term by the number of families taking extended leave. We will work hard to push for this target again next year.

Well done to the boys and girls, particularly those who have won best attendance for their class this year and thank you parents/carers for ensuring they attend school every day and on time.

## School Improvement Focus for 2019-2020

To ensure that, the school's curriculum intent and implementation are embedded securely and consistently across the school and have an impact on pupil attainment & progress with a focus on:

- providing a curriculum that is ambitious and designed to give all children the knowledge and skills they need to succeed in life;
- using assessment well so that all children, including those with SEN, develop detailed knowledge and skills across the curriculum, make good progress and achieve well;
- ensure leaders at all levels hold staff to account to ensure continued improvements in the teaching of the new curriculum, which are reflected in results across the school.
